JAGUAR LAND ROVER NORWICH

CLIENT:

Inchcape Estates Ltd

PROJECT:

Jaguar Land Rover Norwich

LOCATION:

Broadland Gate, Broadland Northway, Postwick NR13 5HB

SIZE:

40,095 sq ft

A new two storey Jaguar Land Rover dealership offering a range of state-of-the-art features to enhance the customer experience.

It incorporates an 8-vehicle display showroom, two handover bays, a connecting drive-through reception area, an 18-bay workshop and MOT testing area plus associated offices.

There are 31 customer vehicle parking spaces, including two bays for disabled users, two bays for parent and child and four bays for electric vehicles.

It features an independent building for wash/valet facilities and a covered cycle shelter. The roof incorporates photo voltaic solar panels which provide a tenth of the building's energy requirements.

Two tree protection zones were carefully maintained throughout the construction process.
