## CANNONS, AYLESBURY

**CLIENT:**

Trent City Securities PLC

**PROJECT:**

Health & Fitness Club

**LOCATION:**

Fairford Leys, Aylesbury

**SIZE:**

25,500 sq ft

“Our health and fitness club at Aylesbury is a highly original design with lots of difficult construction issues. With the landowner checking virtually every brick the need to follow the design precisely was paramount. BDB have achieved this and, at the same time, kept to the penny of the budget and all with a very agreeable attitude. A good job done in far from easy circumstances.”
